Identifikacija partnerjev?

[About us](#) [Our expertise](#) [Our airports](#) [Our commitments](#) [Join us](#) [Newsroom](#) [En](#) [Q](#)

As the world's leading private airport operator, VINCI Airports manages more than 70 airports in 14 countries. With its expertise as a global integrator, VINCI Airports develops, finances, builds and operates airports, providing its investment capacity and know-how in optimising operational performance, modernising infrastructure and managing their environmental transition.

“If public authorities entrust management of their airports to us it is because we have demonstrated, project by project, our capacity to anticipate, finance and guide the investments required to create lasting value.”

Nicolas NOTEBAERT

Chief Executive Officer of Concessions at VINCI & President of VINCI Airports, VINCI Autoroutes and VINCI Stadium
